

Margot FLEURY

Computer Science Student

Motivated and detail-oriented Computer Science student at IUT d'Annecy, currently in the second year of a Bachelor's degree in Computer Science (BUT Informatique). Passionate about web and application development, I enjoy designing and building efficient, user-friendly solutions. Through academic projects and team work, I have developed solid problem-solving, communication, and collaboration skills. I am eager to gain professional experience in a dynamic environment where I can apply my knowledge, learn new technologies, and contribute to real-world development projects.
